Dear Sir/Madam,

I hope this email finds you well.

As part of the Continuous Professional Development (CPD) component under **Project Samarth, Joint initiative of Medha and Department of Higher Education**, following the recently conducted Faculty Development Program (FDP), we need to organise **one-day Professional Learning Community (PLC)** meeting at your institution.

- Sharing best practices and learnings from the FDP
- Discussing challenges and strategies in implementing CPD
- Strengthening faculty collaboration for improved student outcomes

As per your earlier commitment, the session is scheduled to take place in August. We are now proposing to hold it on a suitable date between **10th and 20th August 2024**.

This initiative is a critical step in building a collaborative and continuous learning environment among faculty members. We look forward to your support in ensuring the successful implementation of CPD at your college.

Please feel free to reach out in case of any queries or further clarifications.

Warm regards,

Pankaj Kohli
