Sub: Evaluation of Answer Books for July, 2021 examinations.

Dear Sir / Madam,

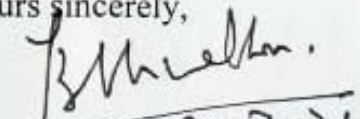

In continuation of our earlier communication as contained in letter No. Secy/AS-7/2021/3996 dated 23.07.2021, it is pointed out that the following instructions are not being followed judiciously due to which lot of difficulties had been experienced:-

1. The Evaluators have to evaluate the answer books for attempting any five answers, carrying equal marks. But instead, some evaluators are marking with remarks as OA (Over attempted) or extra answer. So, before assigning evaluation work, the same must be got noted from the evaluators.
2. As already communicated, evaluation is not started and completed within 10 days of the date of examination but even taken up at later stage due to which the result processing is delayed considerably whereas we are committed to declare result timely. Therefore, please make sure that evaluation is got completed within 10 days of the date of examination and awards are submitted with the concerned Nodal Centers simultaneously so that our results may not be delayed and our aspirant students may take admissions for higher studies, as well.

Please issue necessary directions amongst all staff involved in evaluation work, for strict compliance/adherence of above mentioned instructions.

Thanks and regards,

Yours sincerely,

Controller of Examinations
